

LEAVES FRENCH ARMY FOR MEMORIAL DAY AUTO RACE

Jean Chassagne

Jean Chassagne, holder of the world's hour record, who has entered the next Indianapolis 500-mile race at the wheel of an English Sunbeam, taking the place of D. Resta, who has joined the Peugeot racing crew. Chassagne has been serving as artillery man in a naval fort at Marseilles, France.

IMMEDIATE RELIEF FOR DOPE FIENDS IS IN SIGHT

Definite action for the dope fiends in a meeting yesterday in the office of Pres. Reinberg of the county board will probably bring immediate relief. The John Worthy School for Boys at the Bridewell, it is planned, will be thrown open for the drug users who wish to take a cure.

Although the school was built for 400 boys there are only 100 occupying beds. These will be transferred to the Oliver Goldsmith school if the school board is willing to donate the use of the building.

A suicide that the police blame on excessive use of dope was that of Or-

lando Galley, 811 Cass st. He took carbolic acid.

Felice Savoie, 340 E. 58th, is the first druggist to be arrested for selling dope without a registered prescription. An overheard phone call from F. R. Dumars of Peoria, Ill., with a request for morphine was reported to federal officials. He was taken into custody when it was shown that the sale was not recorded, although the dope had been sent by mail.

MONEY TROUBLES PURSUE THE BOARD OF EDUCATION

Financial troubles still pursue the board of education. Money was their "bugbear" at yesterday's meeting and several plans for cutting down expenses were discussed.

A saving of several hundred dollars a month was affected in the distribution of salaries by mail instead of autos, as has been done in the past. Pay day will come once a month under the savings plan.

An inquiry to determine where the money went that was paid the engineer-custodians of school buildings was suggested by Trustee Loeb. He told the board members that engineers were saving \$4,000 to \$5,000 a year by hiring a low class of help to clean the buildings.
